International Symposium on Emerging Technologies *iSET 2009 on Clean Energy and Biomedical Technologies*

NATEA iSET 2009 ANNOUNCEMENT

March 28, 2009

Contact Persons

Tim Lin (NATEA-HQ, President) – timtlin@comcast.net
John Yu (NATEA-HQ, Symposium Co-Chair) – johnpyu@yahoo.com
David Yang (NATEA-IL, Symposium Co-Chair) - david_yang34@yahoo.com

WHAT

The NATEA iSET stands for “International Symposium on Emerging Technologies”. This year’s main theme is “Clean Energy and Biomedical Technologies”. The iSET 2009 Objectives and Visions are to:

1. Provide a technical platform for emerging technologies in green energy and biology internationally.
2. Promote business opportunities for researchers, entrepreneurs, and venture capitalists to enhance understanding the global competitiveness.
3. Secure the potential international revenues for high-tech Intellectual Property (IP).

WHERE

Oakbrook, Illinois, U.S.A.

WHEN

July 24 (Starting at 9:00 am Friday) **and July 25** (Ending at 4:00 pm Saturday), **2009**

HIGHLIGHTS

A few sample of the perspective distinguished speakers are Professor and Dean Shankar Sastry from UC Berkeley; President Peter (Chung-Yu) Wu of National Chiao Tung University in Taiwan; Congressman Mark Kirk from Chicago; Mr. Bill McCracken (IP Law Firm in Chicago); Dr. Jennifer Holmgren - the 2003 Malcolm E. Pruitt Award & Partner; Dr. Robert Galvin – Chairman of the Task force on alternative Futures for the Department of Energy National Labs

and former CEO of Motorola; Dr. Chi-Hui Wong, President of Academia Sinica of Taiwan, and many more.

WHO SHOULD ATTEND

Public audience who are interested in Clean Energy & Biomedical Technologies and want to keep updated of the trends of emerging technologies, market, intellectual property (IP) and business opportunity in the emerging technologies. Speakers and audience are expected from Taiwan, Canada and US in Chicago Metropolitan, the Midwest, the East and the West Coast, and other NATEA regional chapter members across North America.

SPONSORSHIP

Presently, Illinois Biotechnology Industrial Organization (IBIO) - a mainstream professional organization, NSC, ITRI, NCTU, NCHU, STUT, NARL, and NSYSU, Thermo Fisher Corporation, Nova Biotechnology and many others have co-sponsored the NATEA iSET 2009. We are searching for more co-sponsorship from those professional organizations such as TAITA-SV, Bay Bio Inc. and Stanford Taiwan Biomedical Fellowship Program (STB), etc.

SIGHTSEEING PROGRAMS

Following the symposium, several tours will be arranged: Chicago Architect River Boat or Land Tour; Wisconsin Dale (Door County) Tour, Museum of Arts Tour, and others are being planned.
